

An All-inclusive Galapagos Cruise experience on board this comfortable and luxurious boutique expedition ship is the perfect way to explore a unique destination. This magnificent vessel, with a capacity for 100 guests, has the charm of *The Enchanted Islands*; it is still small enough for a more intimate experience with friends and family. With her three different decks, the **Galapagos Legend** offers a great variety of comfortable and spacious social areas without losing its sense of intimacy. Its fantastic open decks allow you to admire the islands' flora and fauna, enjoy a BBQ at night or take some sun at the pool and bar areas.

The M/V Galapagos Legend has 52 ocean view, air-conditioned cabins plus 3 interior cabins, each cabin private facilities and with double, twin, triple or quadruple options available. Each cabin includes: hair dryer, special bedding and modern furniture. Internal, local and international satellite telephone service is offered, Internet is accessible when anchoring in main islands. Voltage is set for 110-220 volts/60 Hz.
